

Local authorities play a vital role in ensuring that day-to-day services in communities are provided in an efficient, effective and cost-effective way to meet local needs. This includes healthcare commissioning, social and children's services, community care services and learning.

Database of Local Government contains full contact details of senior decision-makers working in local authorities in the UK in a role related to health or social care.

All information within the database is regularly primary source verified and updated by our specialist team of researchers; giving you the quality, targeted data you need and the reassurance that you will be GDPR compliant.
