

Database of NHS Management provides you with the most up-to-date who's who in NHS Management.

All information within the database is regularly primary source verified and updated by our specialist team of researchers; giving you the quality, targeted data you need and the reassurance that you will be GDPR compliant

The data can be segmented to enable targeting of campaigns by:

- Clinical services
- Directorate services
- Job responsibility
- Organisation type
- Regional team

NOTES: It is common for contacts to have more than one responsibility. It follows therefore that there will be fewer named individuals on the database than there are areas of responsibility indicated above. Numbers of contacts will vary during the research cycle due to organisational changes. Counts were correct at time of publishing; **September 2020**.
