

# Database of NHS Commissioning

Database of NHS Commissioning is an accurate means to communicate with NHS commissioning organisations and personnel across the UK.

All information within the database is regularly primary source verified and updated by our specialist team of researchers; giving you the quality, targeted data you need and the reassurance that you will be GDPR compliant.

The data can be segmented to enable targeting of campaigns by:

- Commissioning area
- CCG or commissioning support unit
- Job responsibility
- Organisation type
