

Database of Healthcare Interest Groups

Discover the power of Healthcare Interest Groups with our comprehensive database! The groups are defined as organisation whose members of staff and/or students share political, social or other goals and ambitions relating to healthcare. Their mission is to influence public policy and opinion to achieve those goals which can be achieved through education, legislation, financial support or advisory roles.

If you want to influence or find key opinion leaders in specific therapy areas and organisations like charities, Royal Colleges and Universities this product will help you, data covers UK and Republic of Ireland.

All information within the database is regularly verified and updated by our specialist team of product researchers; giving you the quality, targeted data you need and the reassurance that you will be GDPR compliant.

- Respiratory

For the most up-to-date counts or to speak to us about our Campaign Packages, please call **01268 495600** or email sales@wilmingtonhealthcare.com

Notes: It is common for contacts to have more than one responsibility. It follows therefore that there will be fewer named individuals on the database than there are areas of responsibility indicated above. Numbers of contacts will vary during the research cycle due to organisational changes. Counts were correct at time of publishing; **May 2023**.
